“The new redaction tool has significantly reduced the amount of time I spend reviewing and managing documents!”

Associate, Major U.S. Law Firm

“Data room security and top-notch customer experience consistently make you an easy choice for our deals.”

Partner, Major U.K. Law Firm

■ **Sell-side M&A** | Save time on due diligence with a best-in-class virtual data room (VDR). Upload and review documents rapidly, manage Q&A easily, and access real-time analytics.

■ **Buy-side M&A** | Collaborate at speed and improve buyer-team productivity. Share risks immediately, track diligence status at-a-glance, and engage others easily with @mentions.

■ **IPO, securities and capital markets** | Share financial disclosures with potential investors quickly, easily, and securely. Track user engagement to gain insight into investor interest—and maximize funding by adjusting your approach accordingly.

■ **Strategic repository** | Store, organize, and manage access to documents with ease. A single restricted platform consolidating documents from legal teams and external stakeholders with audit trails.

■ **Bankruptcy and restructuring** | Streamline workflows with all documents in one place, secured with user-level permissions. Review documents in record time, with automated OCR search and fully integrated redaction tools.
