- **Exits and exit readiness** | Save time on due diligence with the best-in-class virtual data room (VDR). Prepare for your exit. Upload documents fast with AI-categorization. And access real-time analytics. When exit opportunities arise, you'll be ready.
- **Fundraising** | Share term sheets and strategy statements with potential investors. Quickly, easily, and securely. Gain insights into investor interest by tracking user engagement. And adjust your approach to maximize funding.
- **Buy-side due diligence** | Collaborate with ease and make your buyer team more productive. Share risks at once. Identify key deal findings. And engage others effortlessly, with @mentions.

- **Asset marketing** | Automate buyer outreach, and keep track of LOIs, NDAs, and CIMs. And secure permissions at the user level. You can even identify the most-interested buyers with advanced analytics.
- **Restructuring/Financing** | Streamline workflows with all your files in one place, secured with user-level permissions. Review documents in record time, with automated OCR search and integrated redaction tools.
- **Strategic repository** | Store, organize, and manage file access with ease. Keep everything on a single secure platform. Bring together documents from portfolio companies, LPs, and advisors. All complete with audit trails.
