

Quick to create

Take a snapshot of your entire project, either on completion or in progress. Retain all data and activities from any transaction in Diligence or Acquire.

Simple to use

Search and navigate your archived projects as easily as a live deal. It all looks the same. Share the contents securely with external parties as needed - just invite them in.

Fully compliant

Enjoy peace of mind with a legally defensible record of your project at the point the archive is created, including full audit information.

Ready to re-use

Recycle your hard work and carry over materials from one deal to the next. Copy content from Datasite Archive into Prepare, Diligence, or Acquire.

Anytime, anywhere assistance

Speed your deals, cut costs and risks, and seize success with Datasite Assist. Call on 50+ years of dealmaking expertise, available 24/7/365 in 20+ languages, all at no extra cost. Just tap, type, or talk.

End-to-end security

Security is why dealmakers use Datasite. We protect your data so that you can focus on your deal. Rigorous security standards are embedded at every level: platform, processes, and people.

Datasite Archive™

Preserve and protect your project data

Retain a searchable, auditable record of your deal instantly at any point. Make copies for counterparties, be ready for legal challenges, and keep materials for future transactions. Enjoy lasting security and compliance that's safer and more convenient than a USB.
